Ticket sales are lagging behind...but the deadline for purchasing tickets is only **8 DAYS AWAY!!!** Call the school **SOON** to book your tickets – we have been sold out in recent years and you don’t want to be disappointed! This year’s deadline for purchasing tickets is **November 7th** (no more last-minute decisions!)* ** * This dinner and auction is the school’s main fundraising event of the year, and we need your support to make this event a success.

“I’ve bought my item for the Auction...
now what?”

We are asking everyone to please keep their items for the Auction at their own houses until the day before the Auction. *** **Fill out a donation sheet for each item, send with your child or fax it off to the school, and tape the original sheet to the item.*****

The sooner we have your sheets with all the donated items, the easier it is for those who have to deal with all the paperwork, and the smoother it will go for everyone on the night of the auction, (especially those who buy something). So PLEASE, get those donation sheets to us as soon as possible! **We are also lagging behind in donations** – remember, the more items that come in mean all the more to bid on, and the greater selection means your Christmas shopping can be finished sooner!
