Thank you!

- For all of the wonderful donations for the Food Bank before Thanksgiving.
- To those who helped with yard work, playground maintenance & building maintenance.
- For praying for our school.

As our school population and programs expand, so does our need for learning space. Please be aware that we are looking for a portable in good condition to accommodate those needs.

Please do not send food which contains any kind of nut or traces of nuts with your child to school.

Did you know:

That Christian Education costs are the responsibility of the Society?

The Auction enables us to provide Christian Education.

That building maintenance improvements and expansion projects are the responsibility of the Society?

Auction funds will be used to provide new spaces for future school expansion and the upkeep of our school.

That the bussing fees that parents pay is only a portion of what is charged to the Brant Christian School Society?

Our annual Auction is one way that enables us to provide bussing at a reasonable cost.
